

Welcome to Eluminatus 2008-2009

Classes meet on **Thursdays** at Crossroads Church located at 2564 HWY 154, Newnan, GA. We look forward to assisting your student with their high school education. We pray this program will bless your family and provide the assistance necessary for a successful school year.

The totals for class enrollment as of June 15th, 2008 will determine the continuation of the class offerings.

Class schedules are formed with registrations received by June 15th

Increase the chance of your student getting all of the classes requested by registering before June 15th.

If an instructor deems the enrollment too low they may cancel the class. You will be notified before July 15th.

If you receive no notification before this time then you can assume that the class(es) you requested will take place.

Registration deadline is August 16, 2008.

The first monthly payment is due August 1, 2008 along with any completed paperwork. Registration received after August 15th will need to have fees paid 2 months in advance.

You pay a month in advance so in May no class fees are due unless your account is delinquent.

**Students enrolling after August 30th must meet with one of our high school counselors before registration can be completed.*
