Each homeschool parent/teacher whose child participates in Standardized Testing will be required to assist in some way. Duties will be assigned based on the number of students participating. You will receive an emailed letter in May giving all the details concerning Standardized Testing 2010. I will communicate through email, so PLEASE make sure your email is legible. If you do not use email, please let me know.

If you have any questions, please email me at [karenh@charter.net](mailto:karenh@charter.net) or call me at 770-328-2213.
